**Subject:** Spring 2006 lab training schedule and UG teaching labs safety  
**Attachments:** Lfs 06.doc

Dear coordinators,

Enclosed is the new schedule of lab safety and fire training sessions for spring semester 2006. Please let all new employees to the laboratories know to sign up for at least one of these sessions before they start working in labs. Call Nancy at 5-2682 or emailing her at [ncraig@ehs.umass.edu](mailto:ncraig@ehs.umass.edu) to sign up. Thank you

On another note, at the suggestion of members of the ICSC, I am evaluating the lab safety training requirement (or lack of) for all our undergraduate teaching laboratories. I would be grateful if you know of any undergrad lab instructor(s) in your department and possibly if they require students to attend a training sessions or sign any paperwork for laboratory safety at the beginning of teaching labs classes. At the least, please give me a contact name of the instructor or TA(s) for such labs. Also, if you have suggestions/comments on methods or system of lab safety training for undergraduate labs, I'd love to hear from you.

Again, thank you so much for all your help throughout the year. Enjoy your Holiday season!
